

ITEM 983 - Shipments Tendered as a Truckload

Except on shipments for which exclusive use of vehicle is requested, when a shipment is tendered to carrier and bill of lading is so marked TENDERED AS A TRUCKLOAD, the applicable TL rate will apply at the actual or minimum weight, whichever is greater, and the TL rate will not alternate with the LTL rate. Such shipments will be entitled to privileges normally afforded in rules and regulations pertaining to TL shipments, and will not be governed by rules and regulations pertaining to LTL shipments. When shipment is tendered to carrier, under bill of lading marked TENDERED AS A TRUCKLOAD, and shipment has begun its movement to destinations, corrected bill of lading will not be accepted to remove the TL application.

Where there is more than one Vol. or TL rate published, that Vol. or TL rate and its accompanying minimum weight (but not in excess of 40,000 pounds) producing the highest charge will apply.
